Dear Mr. Wead,

These pages are from the same book by Dr. Virginia Rainey.

This is the last bit of information I have. I will save your information and if anything is later discovered, I will forward it to you.

Blessings,
Jane Jolly

NOTES:

(P) means probably a member, but no evidence in Session records exists to confirm it. In actual fact, we have no evidence of the dates any of those above became communicant members, but for those without a (P), we have confirmation of continuation of membership.

(Ms. plus name) indicates the woman was married to the man whose names is in parentheses.

d. plus date means year of death.
